DEDICA-TION

Friend . . . Counselor . . . Teacher . . .

This man has been at C.A. for 3 years. He has sponsored the Senior class for 2 years and has coached Jr. High Basketball 2 years. This 26-year old bachelor is a graduate of the University of Texas at Arlington.

A resident of DeSoto, he has become a fixture at C.A.O.C., where he teaches Bible, history, and government. Stern when the need arises, he is a friend to students, a counselor to Seniors, a strong backer of Christian Academy's goals, policies, and activities.

It is with pride and pleasure we dedicate this 1981 Doulos Theos to the little man with a big heart . . . Mr. Cary Phillips.

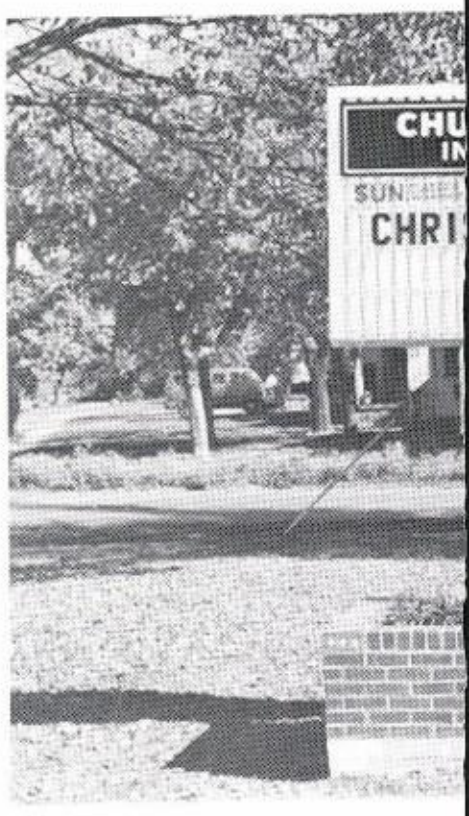
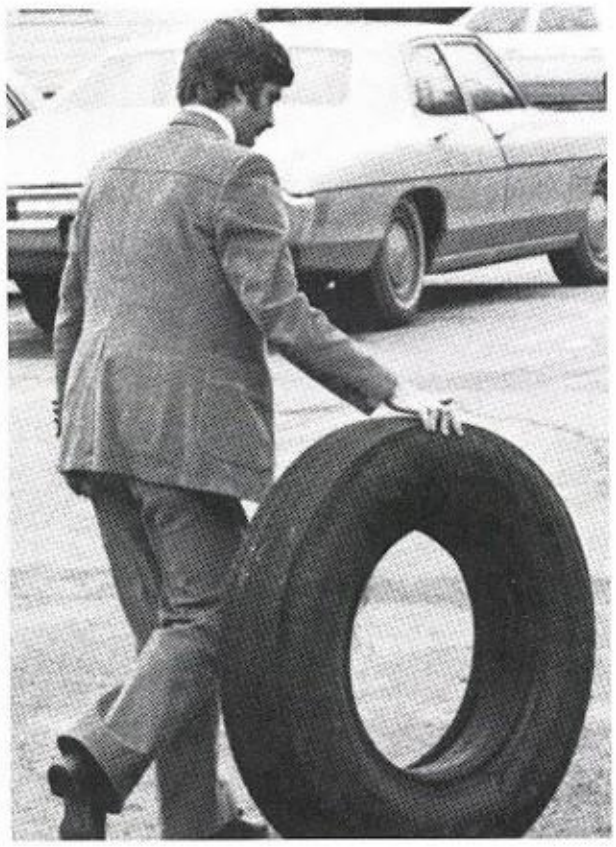
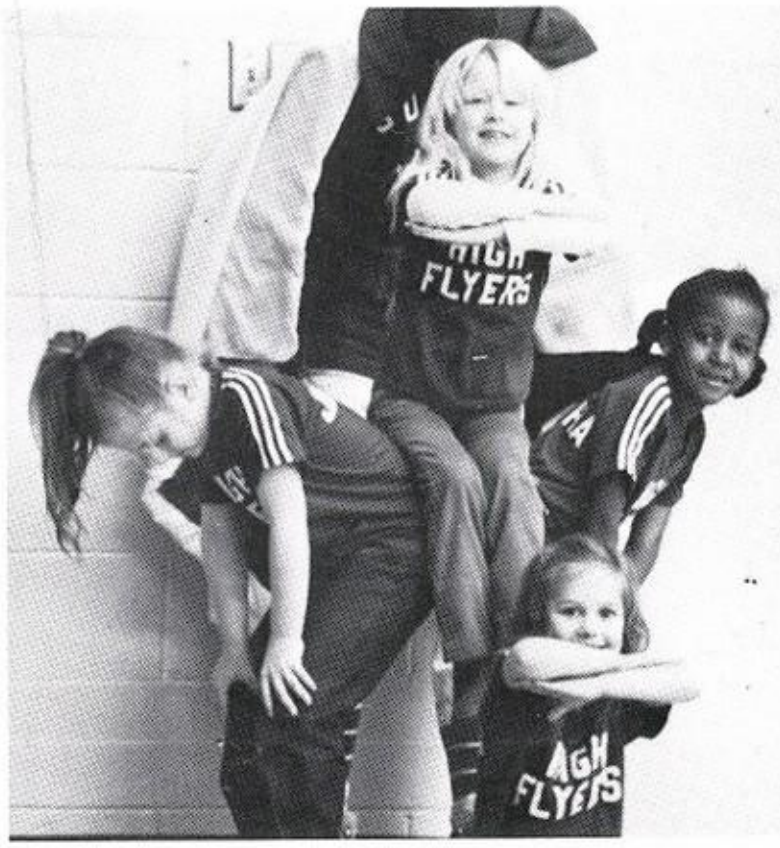
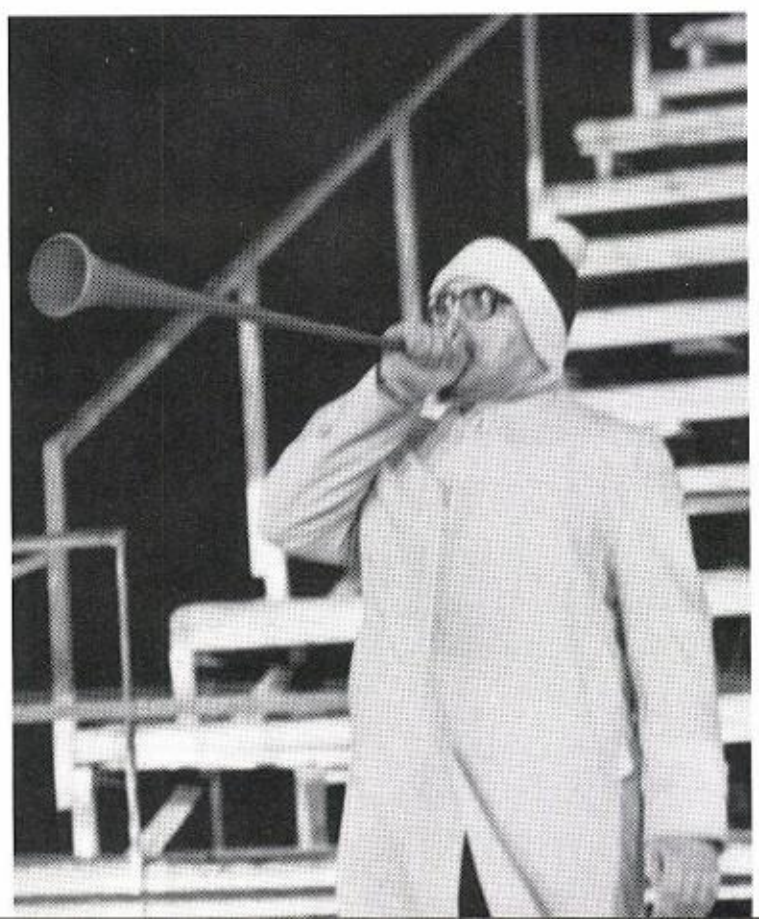
1980-81 School Year in Review

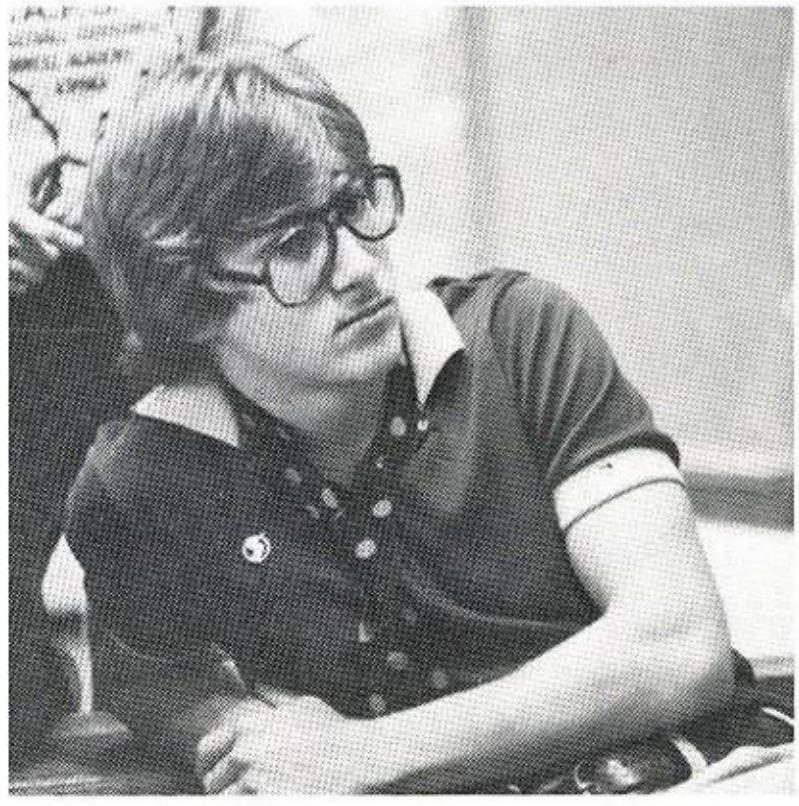


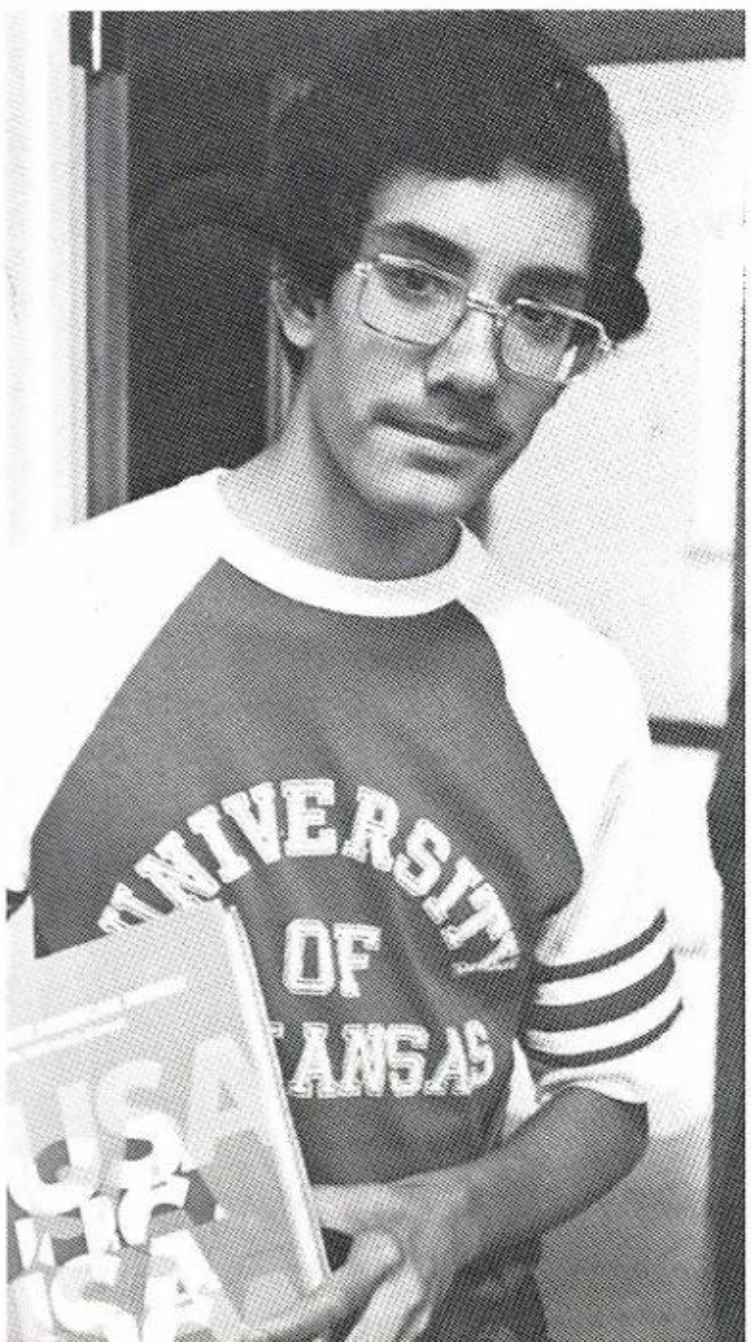
The 1980-81 school year started out on many positive notes. First and foremost, Mr. David Singleton became our new superintendent. He took over a very unstable position and added the stability that gave an air of confidence to everyone associated with the school. The next positive note was the new teachers. Miss Soward, Mrs. Lankford, Miss Benoit, Miss Paschal, Miss Smith, Mrs. Fletcher, Mrs. Stewart, and Miss McGowan. All came in and along with our fine returning teachers, became a vital part of our school family. The class of '81 was not only the biggest in C.A. history, but also a very ambitious class. Finally the rest of the student body was a big plus. The moving of the elementary to the high school campus gave a chance for the high school students to learn responsibility by example while learning many other things from our younger students. All these things have made for a most exciting school year.



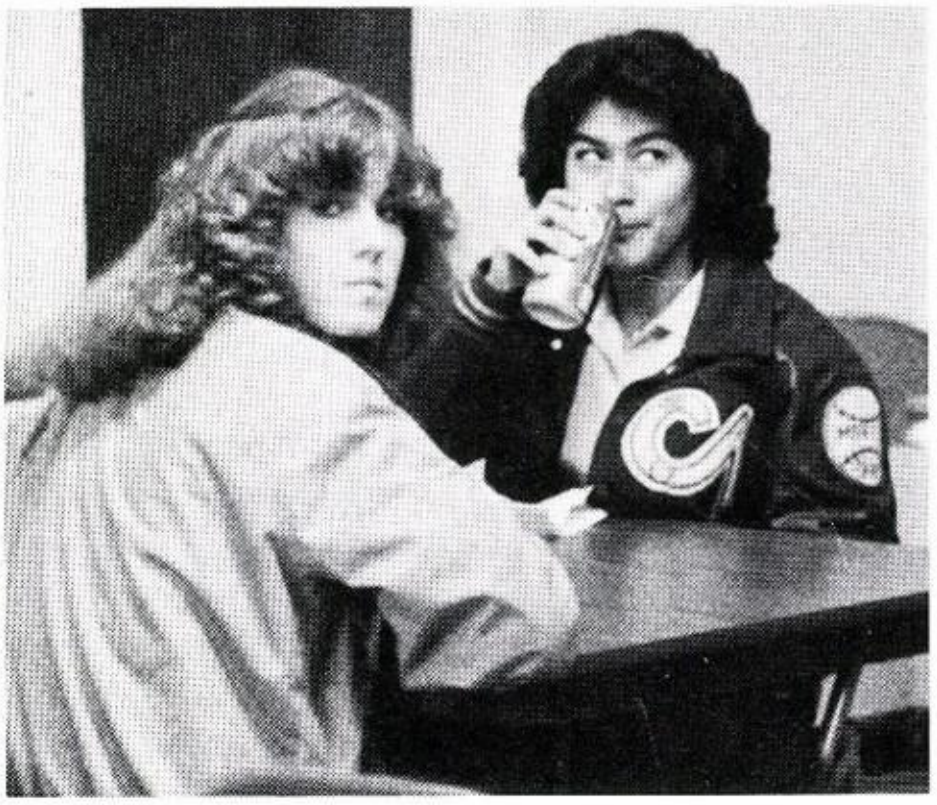


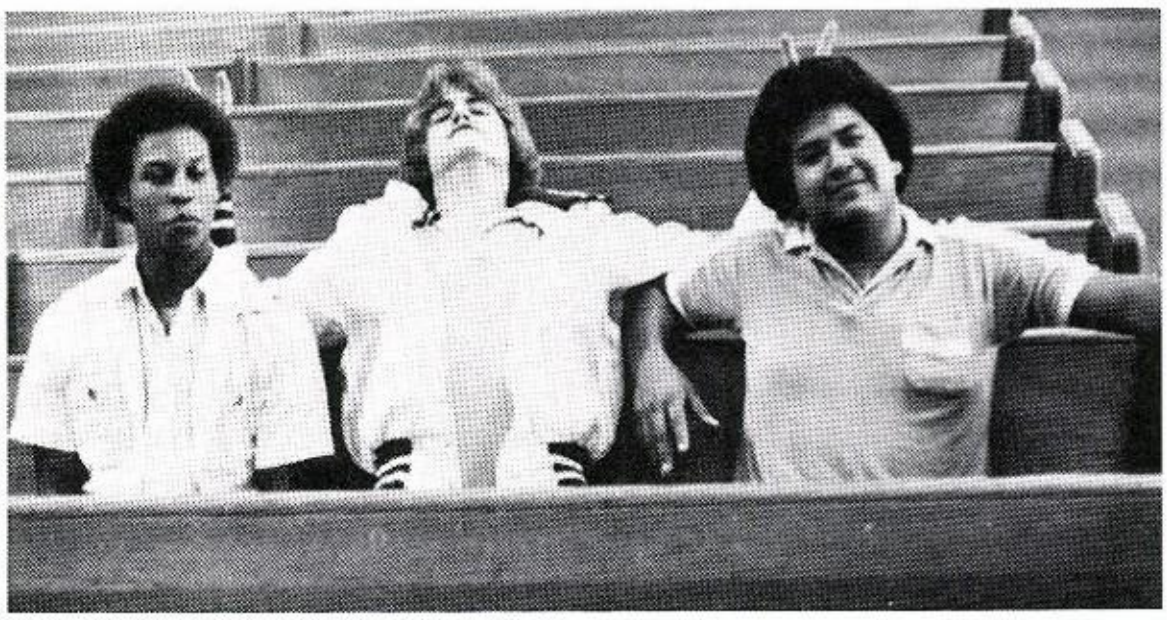




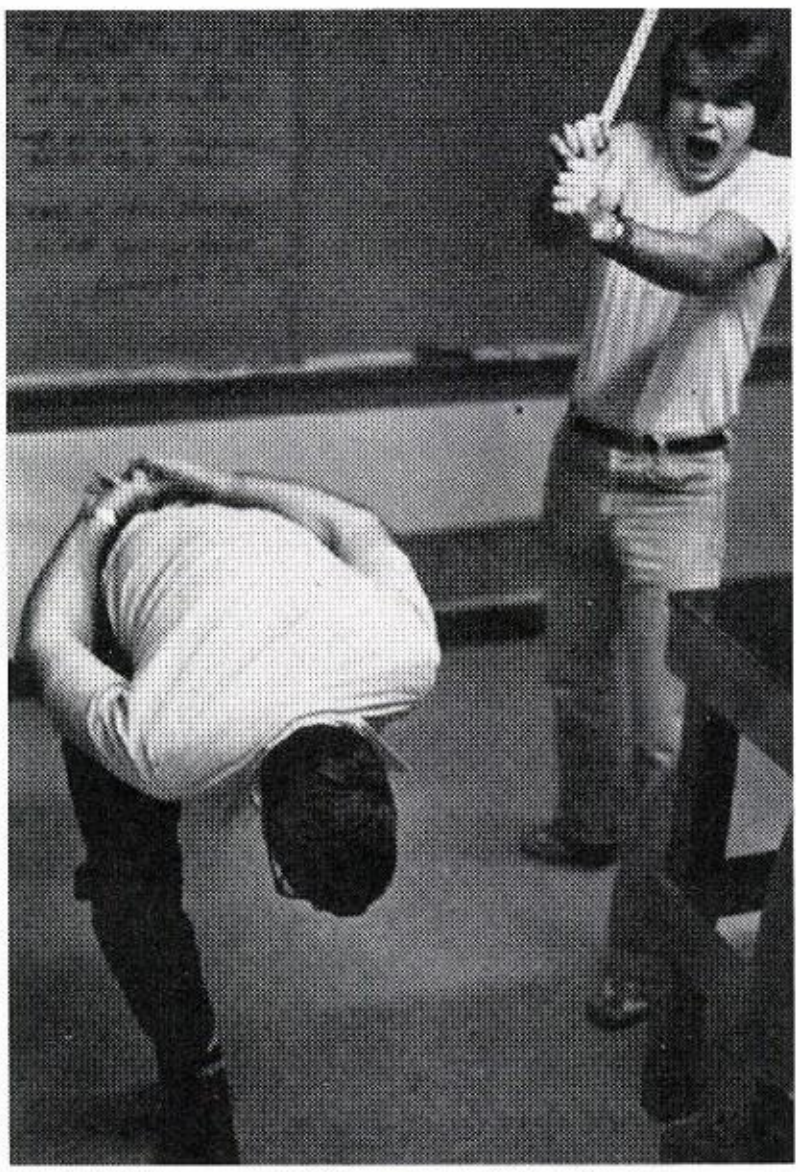


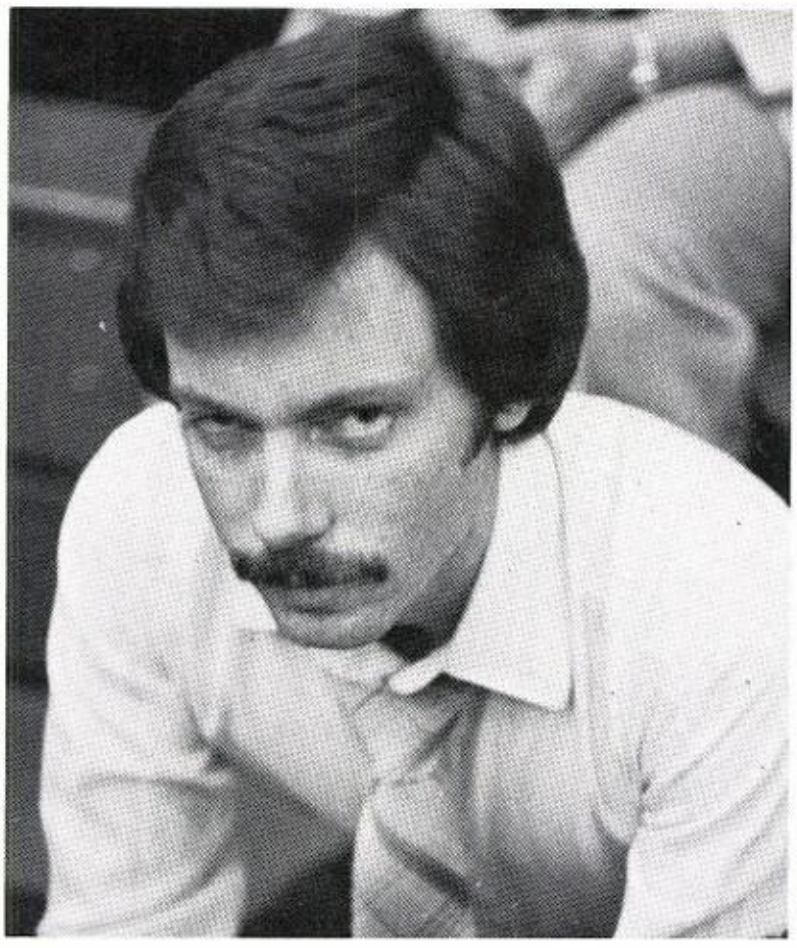
The many organizations which support our school were very busy all through the year. P.T.O. held monthly meetings with different classes presenting the program. P.T.O. and L.A.C.E. also held their annual Valentines Pageant, which once again, was a tremendous success. L.A.C.E. ladies held garage sales, sponsored their annual talent show, and continued to support us financially and prayerfully. The Booster Club gave their continued support to our athletic teams again this year. The Development Council, designated for the improvement of our school, met regularly and planned the future of the school.

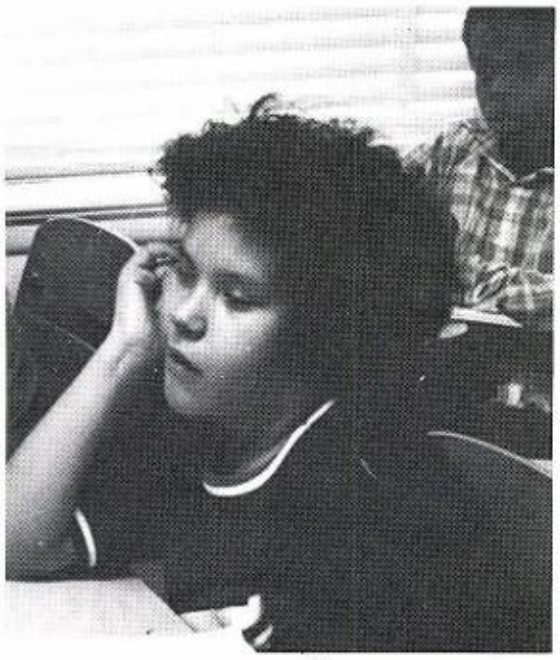


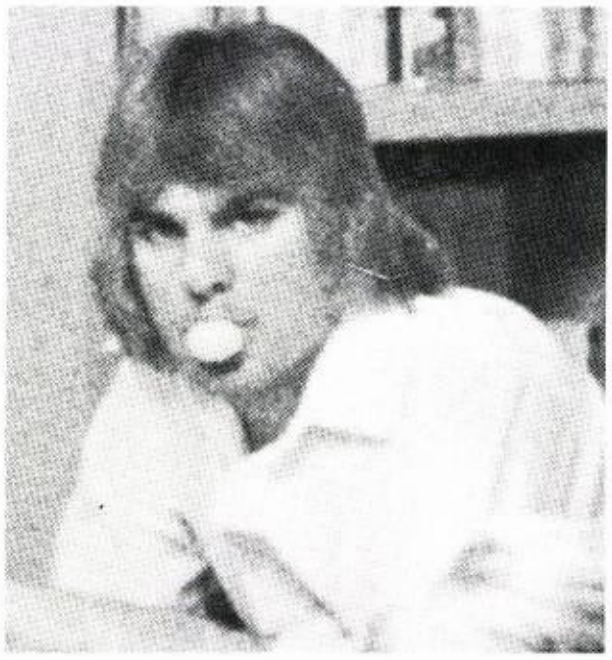


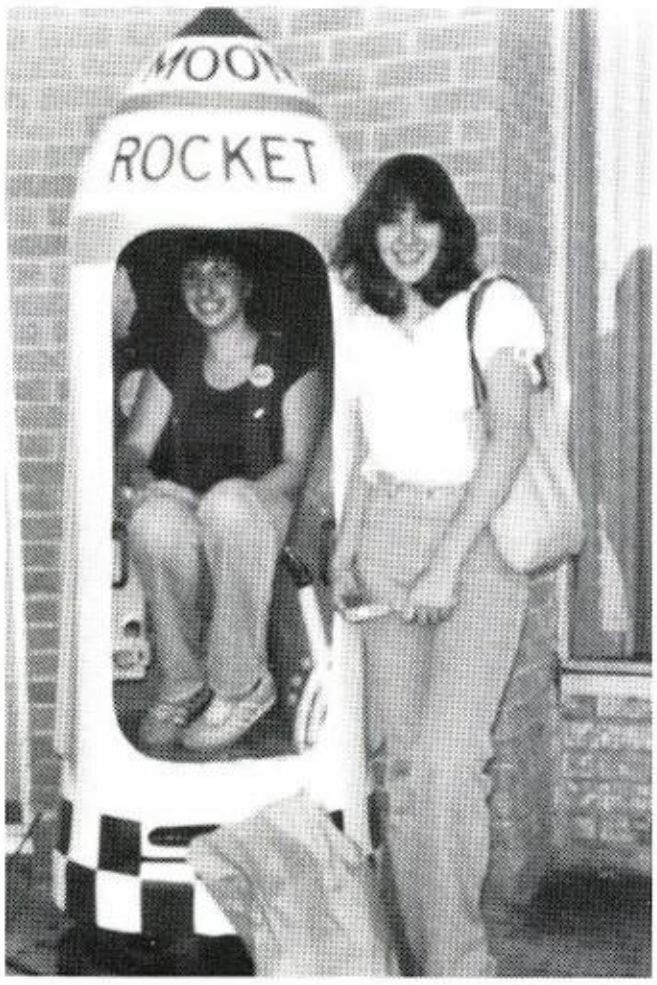
In athletics, C.A. had a banner year. In Varsity Girls, The Jets overcame a lack of experience to enjoy a good year. In volleyball, they were 8-4 and came in third place in the mid-cities Christian League. In basketball, they finished with a 2-6 record and a 4th place. The Varsity Boys did exceptionally well. The Football team was, once again, metro district champs, finishing 6-4 and going to the T.A.P.S. state playoffs. In Basketball, the Jets were 21-8, finishing third in the M.C.C.L., won the M.C.C.L. tournament, and went to the T.A.P.S. state playoffs. Both the girls softball and boys baseball teams expect to do well this year with the season, at the time of printing the season is about to begin. In Jr. High boys athletics, the Jets showed spirit and determination in both football and basketball in learning and performing for the future years. The football team, although winning just one game, went up against more experienced and larger teams. In basketball, the Jets used teamwork and hustled to make a winning season of 4-3 record.



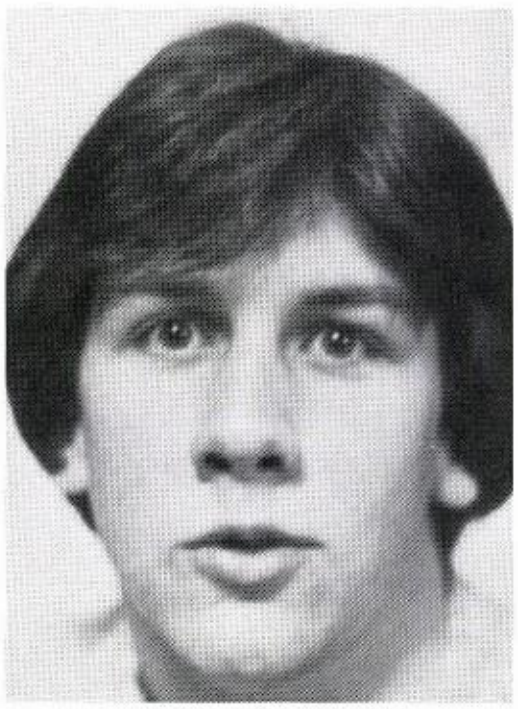


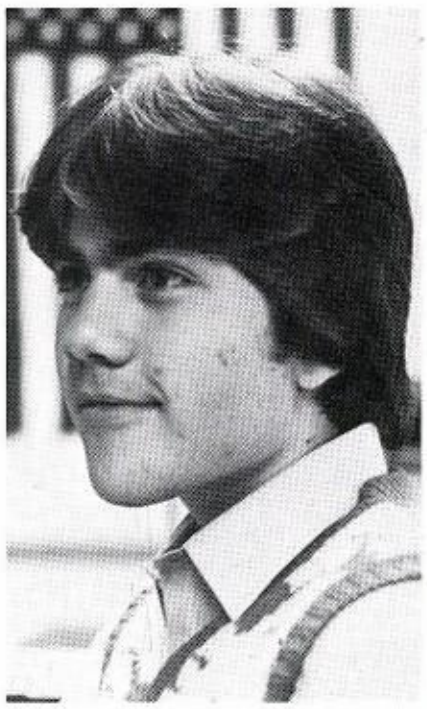


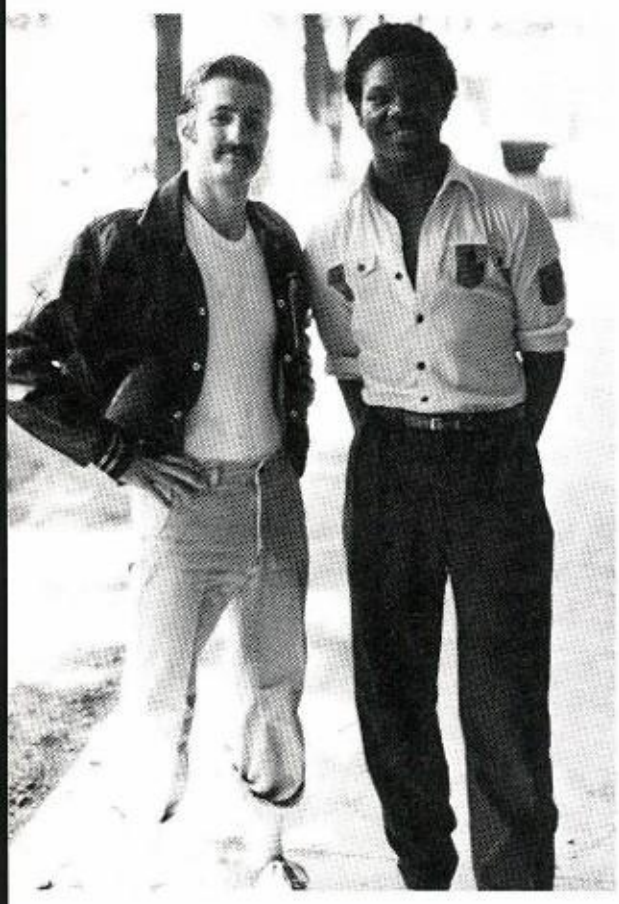


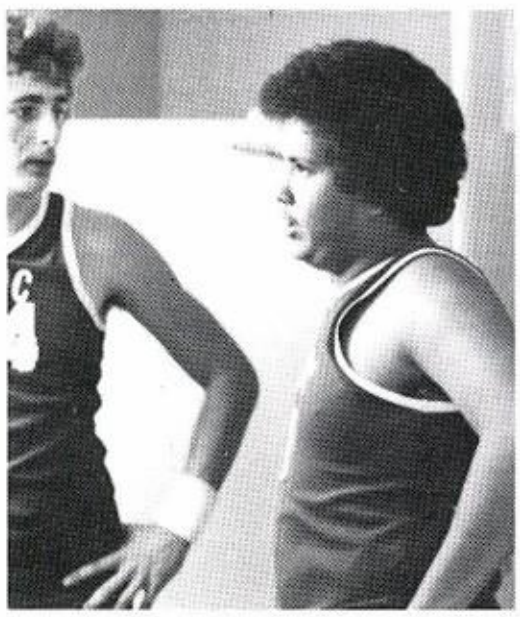


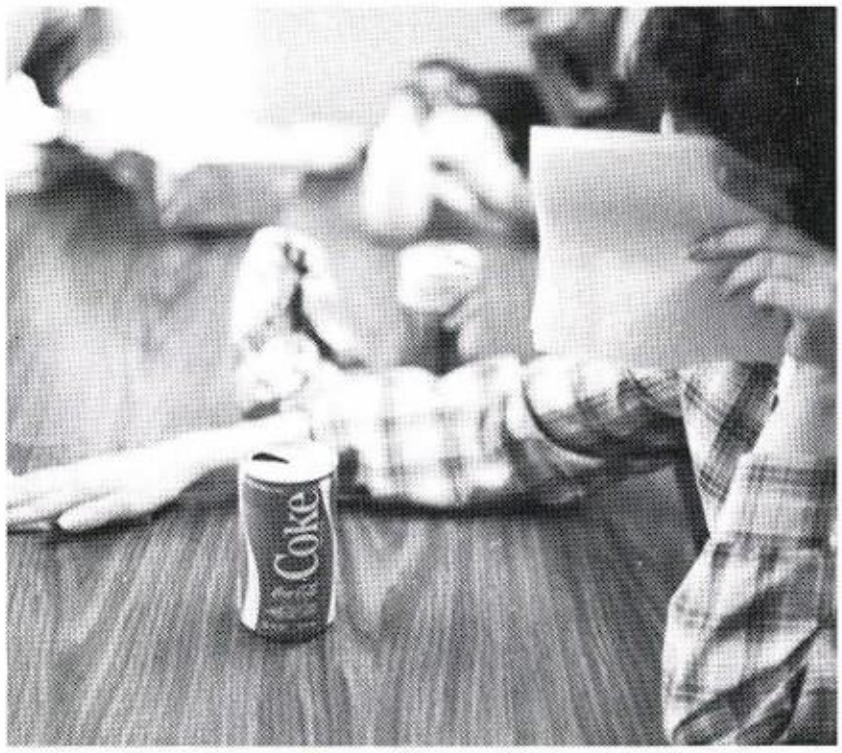
The different classes held various money making projects throughout the year. The favorite project was a hot lunch. Hamburgers, spaghetti, lasagna, burritos, tacos, and nachos were all sold and were all successful. (Who could forget Mrs. Young's lasagna?) The eighth grade sold Valentine telegrams for Valentines Day. Perhaps the most ambitious money making project by a class this year was a concert by the Foggy River Boys sponsored by the 1981 Seniors. The Seniors also sponsored this years Homecoming Bonfire and Pep Rally. The Varsity Girls Volleyball team and the 1981 DOULOS THEOS Staff both held bake sales. It seemed like everyone learned more about responsibility of earning money for school activities.











In looking back over the 1980-81 school year, although it had its ups and downs, it is certain this was a very good year. The Family here at Christian Academy is truly just that; a Family. Whether its on a playing field, in a classroom, or out running around, the memories of this year will be missed themselves. Those of who will leave and move away will be missed, but their friendships will always remain. 1980-81 has been a year of happiness and sadness, good and bad, highs and lows, and dissention and harmony. But above all, 1980-81 has been unforgettable.

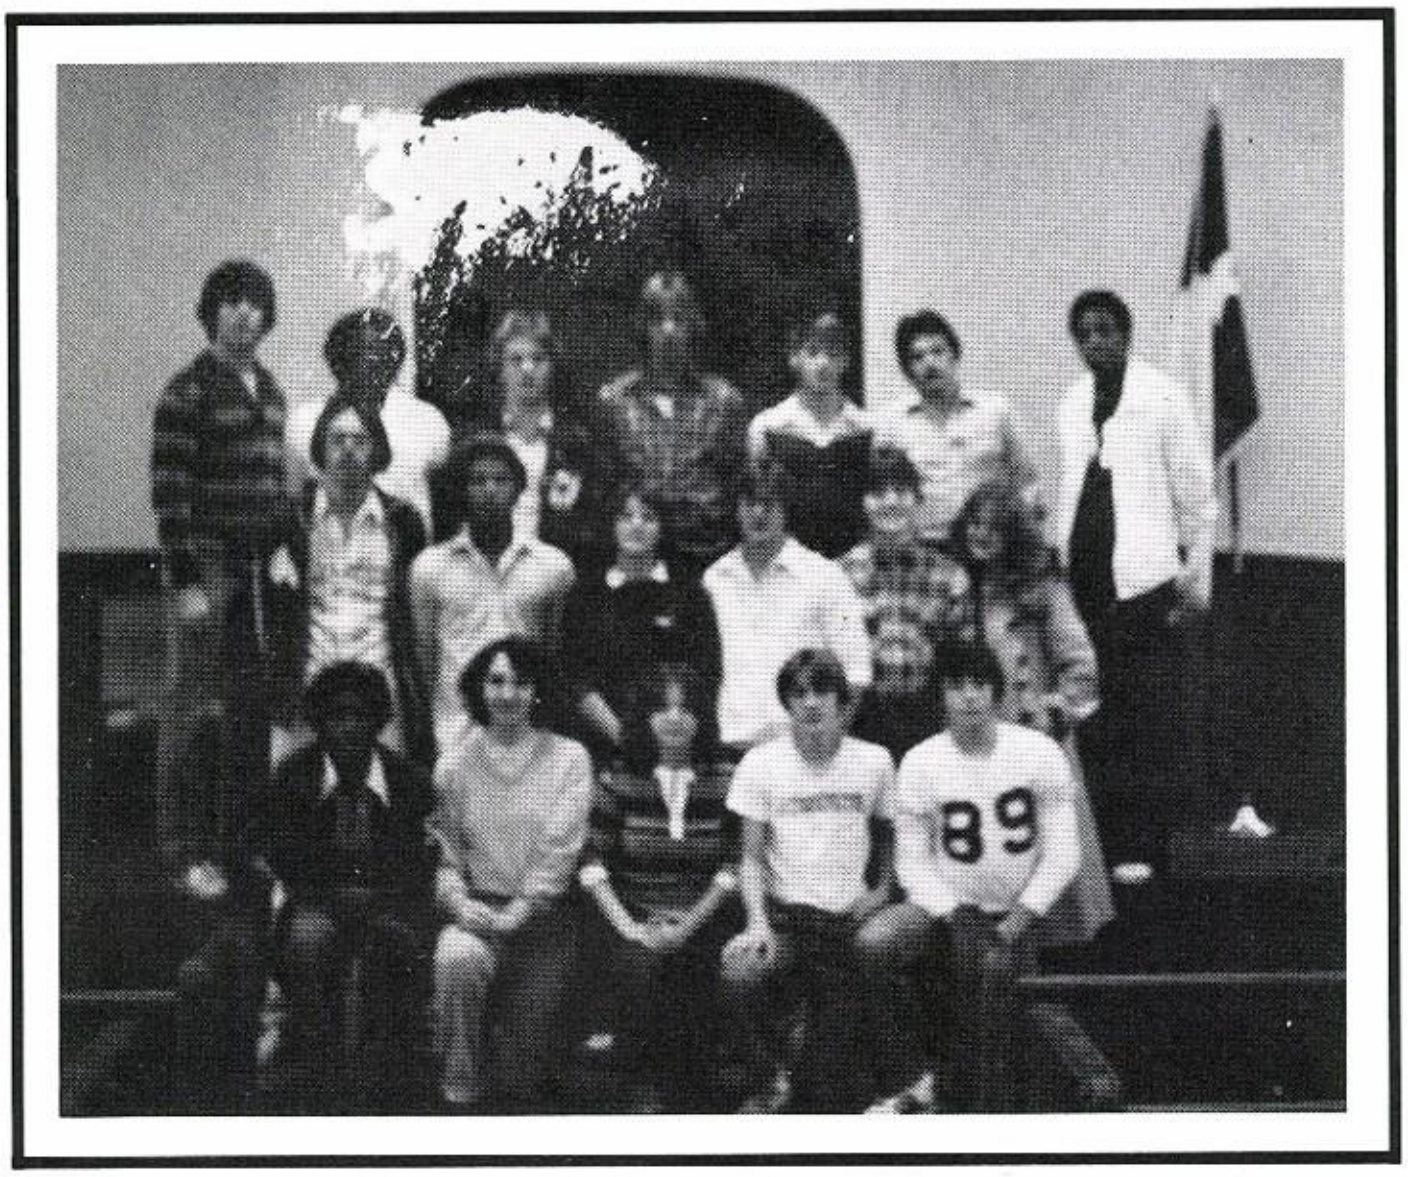
The 1979-1980 Awards Banquet



The 1979-1980 Christian Academy Awards Banquet, sponsored by the Senior class of 1980, was an evening of entertainment and memories. Smiles flashed like the many pictures as the Master of Ceremonies, Gary Dippery, presented the awards. Among the major awards were the High School Scholastic Award accepted by Tommy West and Micah Goodspeed accepted the Junior High award. In sports, Ken Latimer received the Athlete of the Year award and Susan Waddill received the female Athlete Award. Mike Hogan was awarded Athlete of the Year Award for Junior High. The students, however, were not the only ones receiving awards. Small groups each got up to present their awards to some recipient, whether teacher, coach, sponsor, parent, or really just someone they had come to appreciate over the year.

However, the smiles had to end sometime. The Senior class presented a show of pictures trying to tell everyone their story of what the school meant in their lives. Tears were seen on many faces as happy memories of fun and sad times with friends were recounted. And some realized that they would be a part of these times no longer. Everyone was happy they had come to the banquet and left with expectancy for the coming year. Congratulations Seniors 1980.

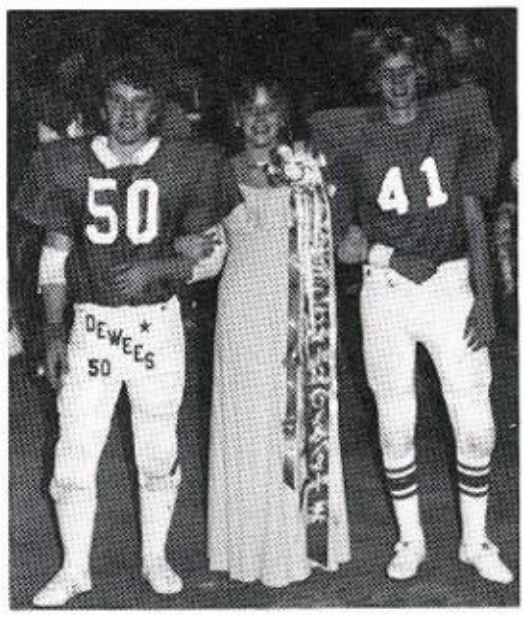
Freshman Queen Nominee, Sheryl Newsome escorted by Seniors Bobby Stegall and Lloyd Ellis.

1979 Homecoming Queen Susan Waddill, escorted by Seniors Edward DeWees and Ricky Craig.



Jets Cram the Rams!!

Queen Shelley Jackson and her court enjoy the game.

The 1980-'81 Homecoming festivities turned out to be an excellent show for everyone who attended. The crushing victory over Beverly Hills and the crowning of the beautiful Homecoming Queen made the night a memorable event.

The Jets started the night with a merciless attack on the Rams. The Rams, in their first year of football, did not expect to meet the powerhouse of the Jet football team. The strong arm of John Waddill proved successful time after time as he struck the Rams with scoring passes. That, with the running of Tommy West, Bryan Tidwell, and Rodney Ramzy, destroyed any attempt of stopping the Jets' attack.

Amidst the melee on the field, players and coaches, children and adults, took time out for the gala event of the night. The four beautiful young ladies of the Homecoming Court consisted of Freshman — Sheryl Newsome, Sophomore — Monica Valincia, Junior — Shelley Jackson, and Senior — Ann Hancock. The football player-escorts proudly marched their nominees on to the field. Silence and anxiety filled the air as everyone awaited the announcement. "Miss Shelley Jackson!", chosen as the 1980-'81 Homecoming Queen.

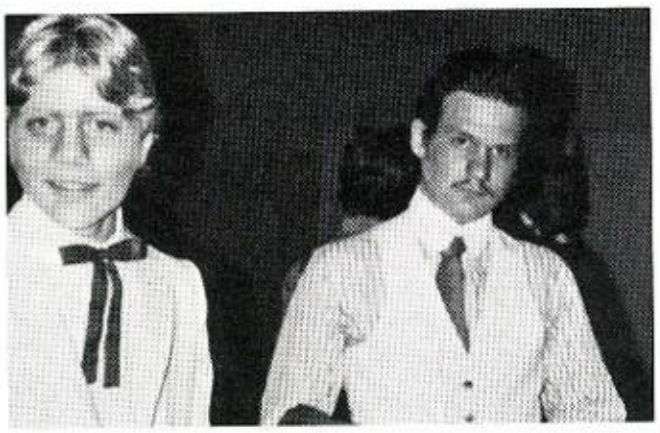
MEET ME IN



The 1979-80 production of the play "Meet Me In St. Louis" charmed audiences for two consecutive nights. The comedy-drama had the ingredients of an excellent show. Hilarity, suspense, and good acting kept the crowd guessing as to what would happen next. Janice Nance and Steve Long put long hours into directing the play. A lot of teamwork went into making a delightful and exciting performance.

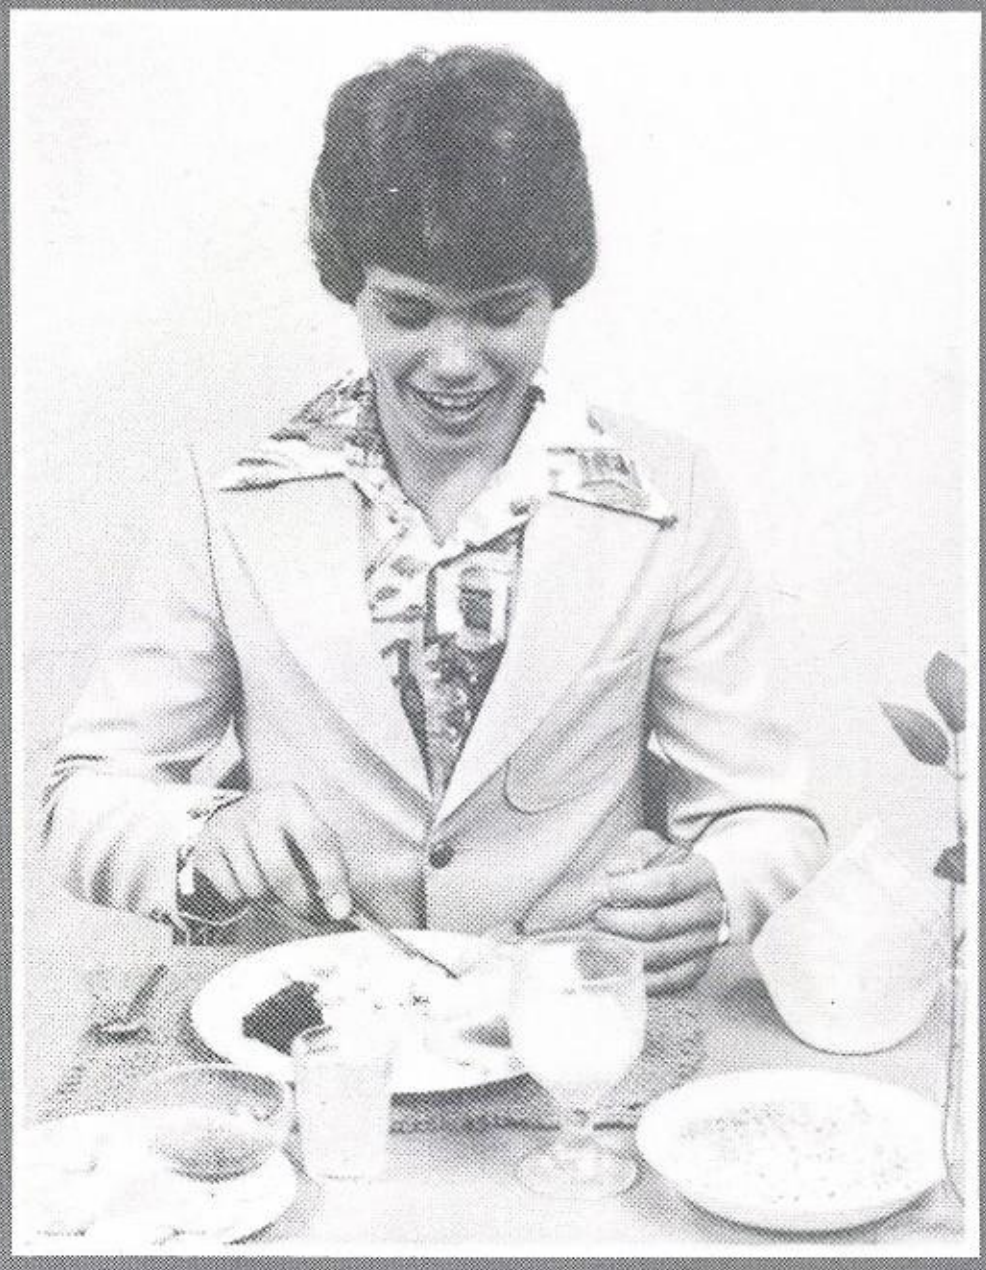
ST. LOUIS

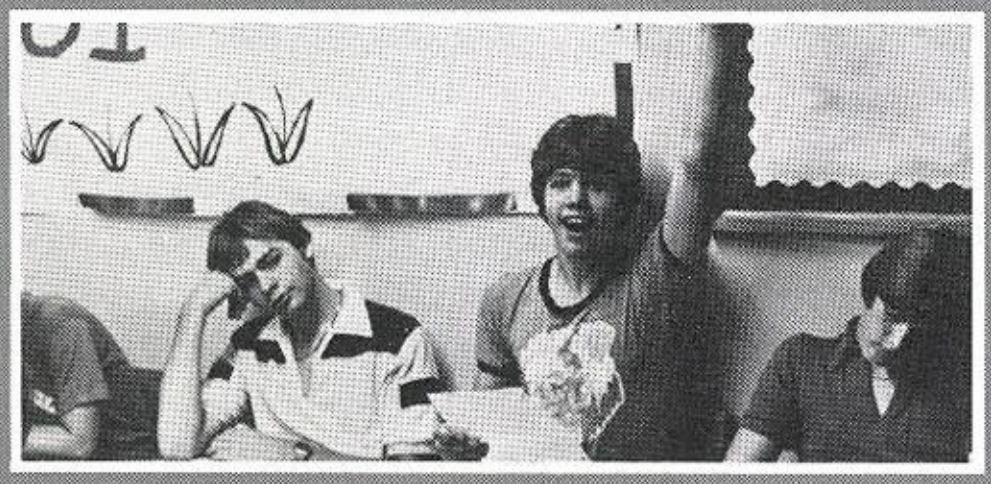
New faces crowded the stage of the school's production of "Meet Me In St. Louis." The play had a lot of fresh talent and inexperience but that did not keep it from being a success. The veterans worked very hard with the rookies, and the stage crew did a great job with the set. The atmosphere was excellent and the audience had a fun night watching characters ranging from an old grandpa to a squeaky little girl. Long nights of practice certainly paid off for the cast and crew. Congratulations for a great performance!

Good Morning, Student!

You are what you eat!

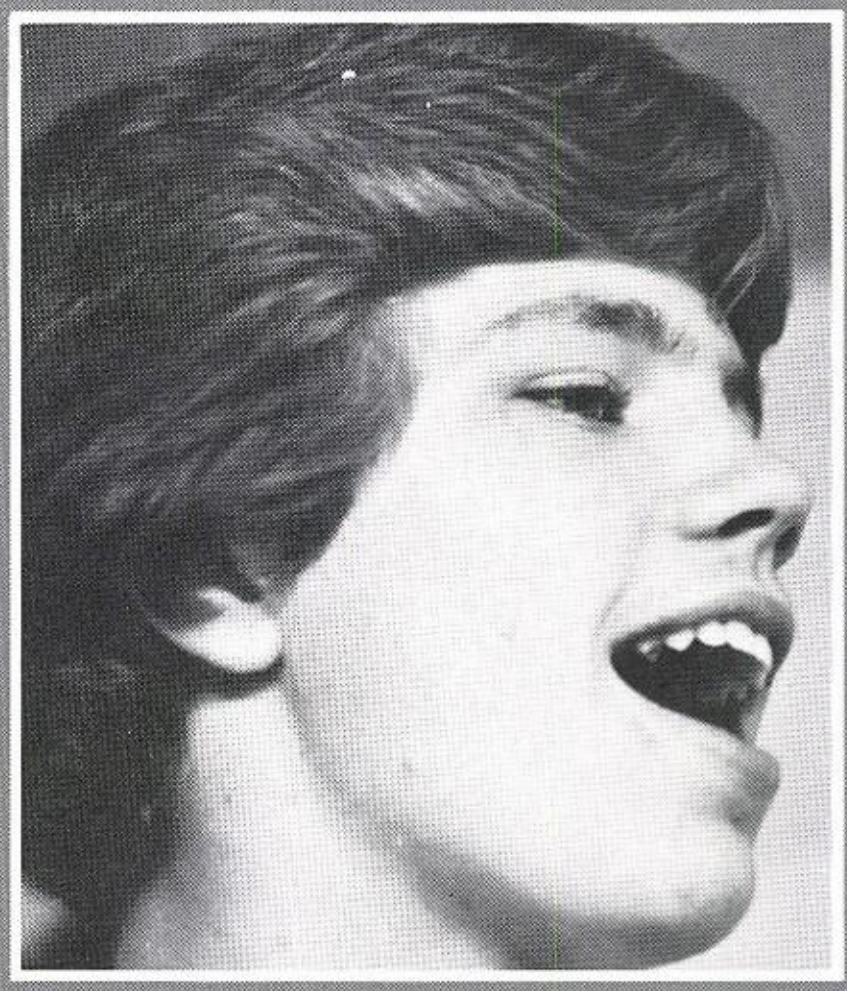
The start of another perfect day, another perfect breakfast . . . with eggs and toast as the entree, and rolls and bacon on the side, you've got all you need to start the day off right. On schedule as usual you sip another glass of orange juice while pausing to reflect on the benefits of a good breakfast. Today you could climb mountains, forge new trails, boldly go where no man has ever gone before, easily becoming the eighth wonder of the world. And to think it all began with a good breakfast.





His arm goes up like a shot, and his mouth drops open in eagerness every time his teacher walks in. "Oh, Teacher, Teacher, please Teacher I gotta say something!" shouts Scott Payne. "What is it, Scott?" asks the teacher, "Good morning, dear Teacher!" (Chalk up another 12 brownie points for Scott.)

Marching down the hall to first hour Scott radiates sunshine before the sun has even risen. Keeping up with other students, Scott is on his way through a challenge-filled but rewarding day. Like an eager prize fighter, Scott awaits the bell which will signal the beginning of yet another mental battle.

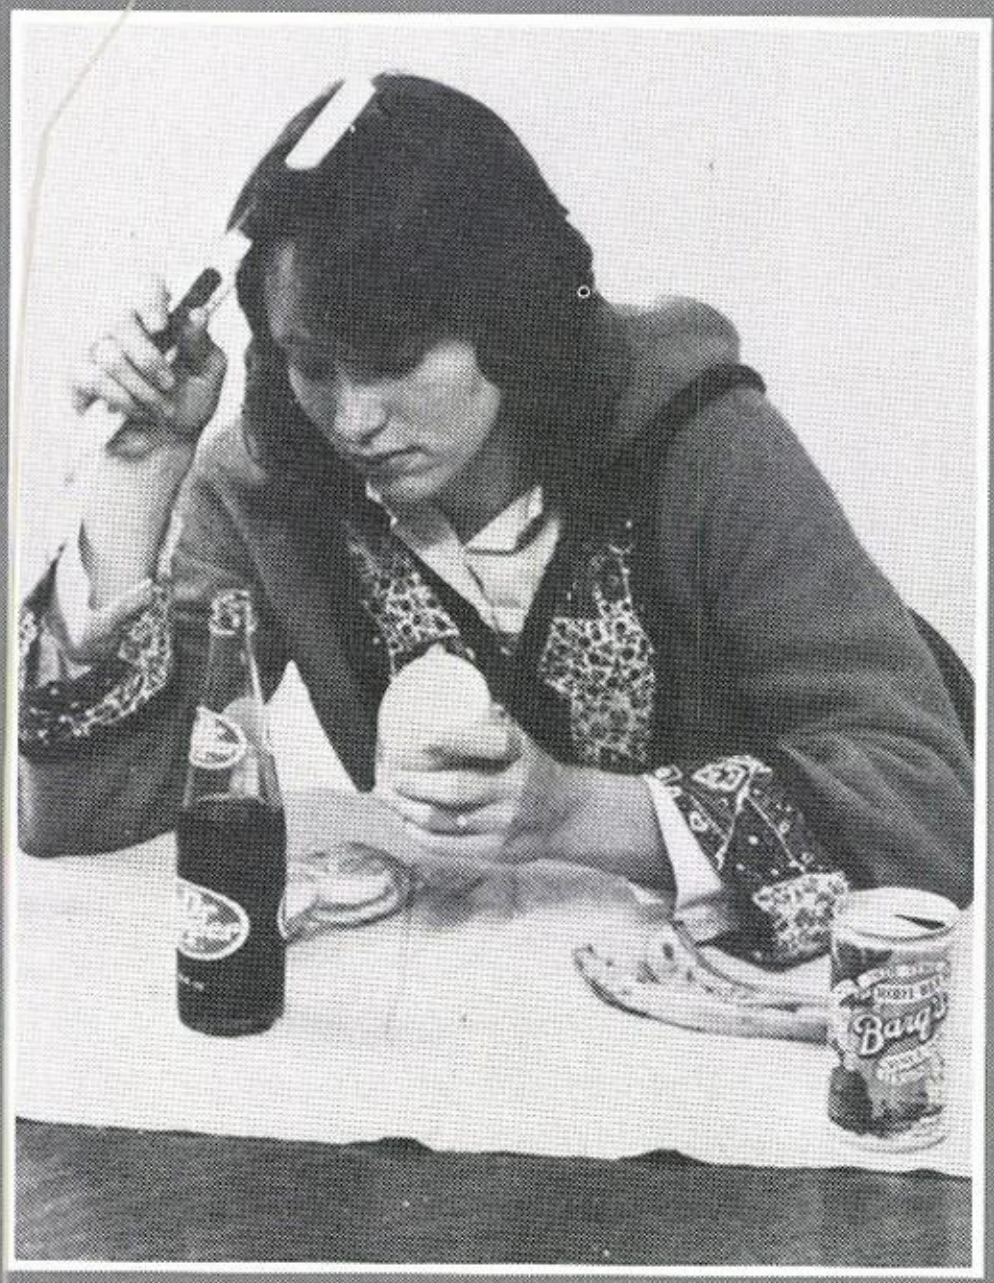


With blood pulsating in his temples and vocal chords vibrating in his rippling bulging throat, Scott strains to finish the last two lines of Stayin' Alive. Always in his mind are his idols the Bee Gee's . . .

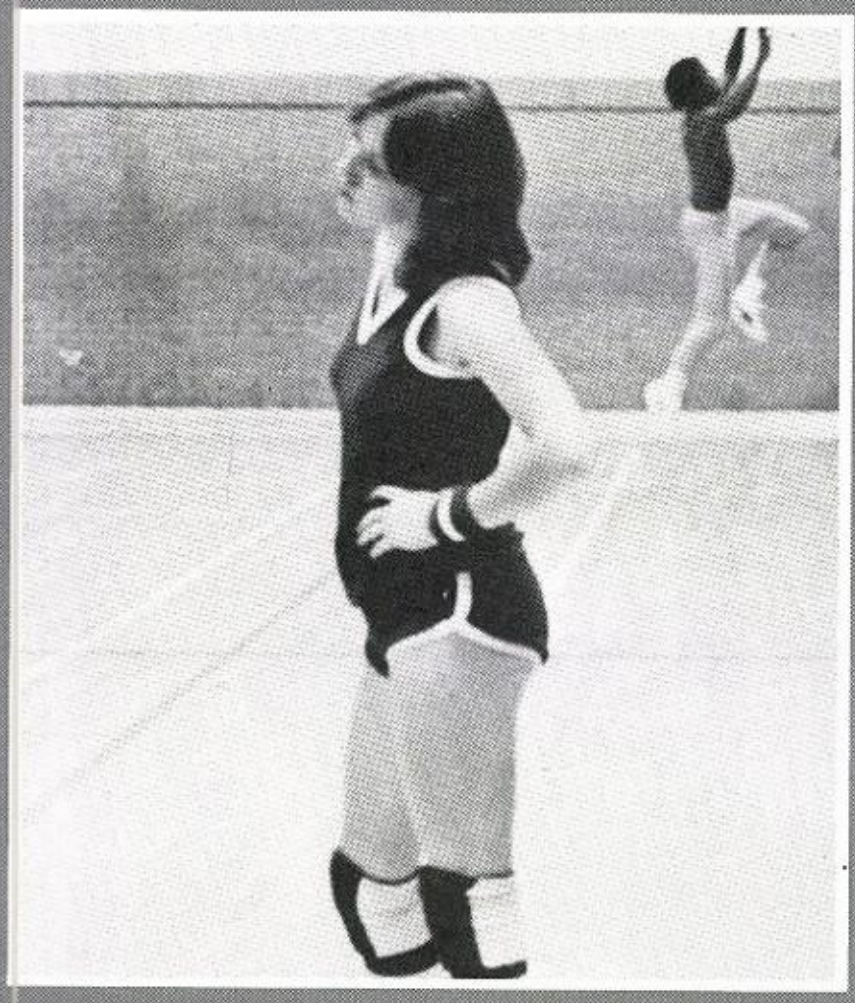
And Then Again

. . .

You are what you eat...



The start of another rotten day, another rotten breakfast . . . your mother burned the toast again, and the last of the milk is on the floor. But it doesn't matter . . . you weren't really hungry anyway. You'd rather drink the coke you left out last night. Today you can't find the energy to climb the stairs, you'll get lost on your way to lunch, accidentally lock yourself in your locker, and amaze your teachers with how exhausted you look. And to think it all began with a rotten breakfast . . .



Thoughts of jumping jacks and sit-ups only increase Andrea's hunger and fatigue as she stands in the solitude of the deserted gym. Calisthenics never were a high point of her afternoon, but today Andrea can't bear the thought of bending down to tie her shoelaces.

Apparently becoming the victim of the mid-morning blahs, an exhausted Andrea Potter slumps over her English Notebook. All desire of knowledge leaves her as she drifts off into dreams of steaming pancakes and glazed doughnuts. Obviously Andrea lacks snap, crackle, and pop.

Getting to class on time becomes a struggle for Rita Jo Cook when her friend, Andrea Potter, decides to take a nap on the way. A brick wall isn't as soft as a pillow, but Andrea, in her weakened condition, hardly seems to notice as she sleepwalks down the hall to her next class.

"CLASS OF '81" HISTORY

In the beginning, this was a class of great potential and ambition. Somehow, one knew that this would someday be a very productive group of young people. In the first grade, six of our present seniors attended Christian Academy. They are Doug Berry, Mendy Hughes, Tony Cook, Norman "Butch" Carson, David "Sundance" Slater, and "Peski" Narleski Wyrick. These original pioneers of the class of '81 grew together for four years, somehow keeping out of too much trouble. Doug slowly became known as "Handcuffs" Berry. Mendy was the prettiest little girl in the class, and Tony just stayed short. In the fifth grade, three more of the present family joined up — Bryan Tidwell, Angie Sypert, and a shinny John Waddill. In the next couple of years, Terri Thomas, Mary (the Midget) Boren and Edward DeWees came on the scene. By this time, John and Narleski were known as "Salt and Pepper," and David was famous for his "Elvis Presley" impersonation. In the eighth grade, the class was blessed with Gretchen Wagner and very shy Robert Johnston. Terri left that year, but returned later and is a present senior. The Freshman year rolls along, and who else but Pammy "Poo" Hearn should come along. Now the class is really excited about being in "High School," and Robert Johnston has by this time come out of his shyness, and could do many impressions of his favorite (?) teachers. Leaving that year was Doug, but he also returned to be a part of the class of '81. The Sophomore plateau was a great one, with the additions of Gregg Young, Tommy West, and Howard (Brent Huger Krrress) Payne. Howard has provided many light moments of joy, and for this, he is greatly appreciated and thanked. The Junior year brought Dorothy Ting, a a student from Malaysia with many talents, and Rodney Ramzy, a great asset to our sports program. This year Bryan and Norman left, but returned, and are now vital parts of this group. Then, they were there. Finally! Seniors at last. Coming this year were David Murray, Bobby (Beagle) Stegall, and Ken Moore, a terrific help to the basketball team.

The class of 1981 is one of many personalities and vast versatility. Each member adds his/her own uniqueness to form a group of individuals with great characteristics of success. Hats off to you, SENIORS!!!

SUPERINTENDENT

Mr. David Singleton, is an active, intelligent and likable person serving in his first year as our superintendent. Not only is he a responsible leader, but a spiritual inspiration to all of us. Mr. Singleton is a graduate of Abilene Christian University and has taught at Fort Worth Christian Academy and DeSoto High School. We have appreciated his influence and leadership at Christian Academy. Thanks, Mr. Singleton.

ADMINISTRATION

PRINCIPAL

Mr. Charles Hancock, our principal, has been with Christian Academy for five years. He is a graduate of Appalachian Teachers College and has taught at Walker Town Elementary for 11 years, New Bern, North Carolina, for 5 years, and at Dallas Christian for 2 years. We all know of Mr. Hancock's dedication to C.A., and his love for Christian education. We all appreciate his example and his care for the students. Thanks, Mr. Hancock!!

DEVELOPMENT COUNCIL

The Development Council was formed in the spring of 1980 to help C.A.O.C. grow. They have a major goal in raising funds to pay off the note on the Kiest St. property, and then to build a suitable school plant and athletic facilities. The "One-in-a-Thousand" plaques in the main hall are names of friends of C.A.O.C. who have given for these goals. Mr. Hulen Havens is Chairman, and Mr. Garry Dipprey is Vice-Chairman of the Council.

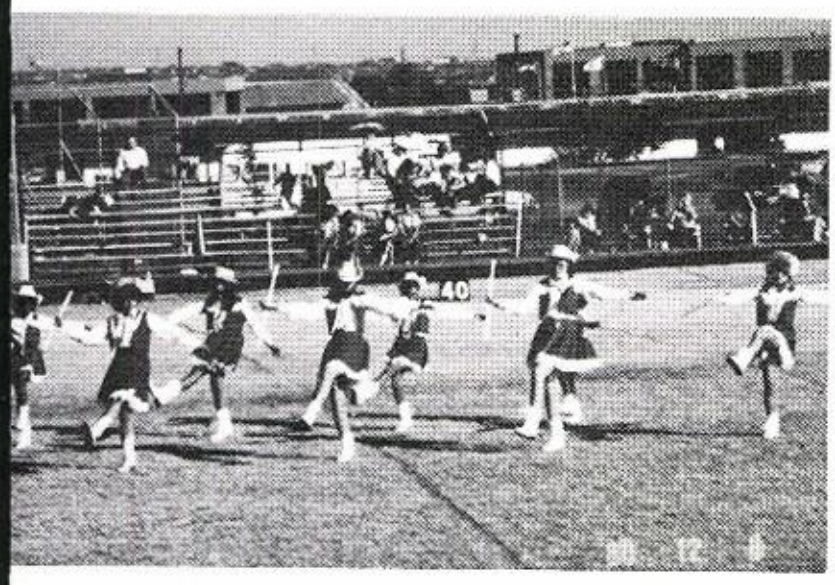
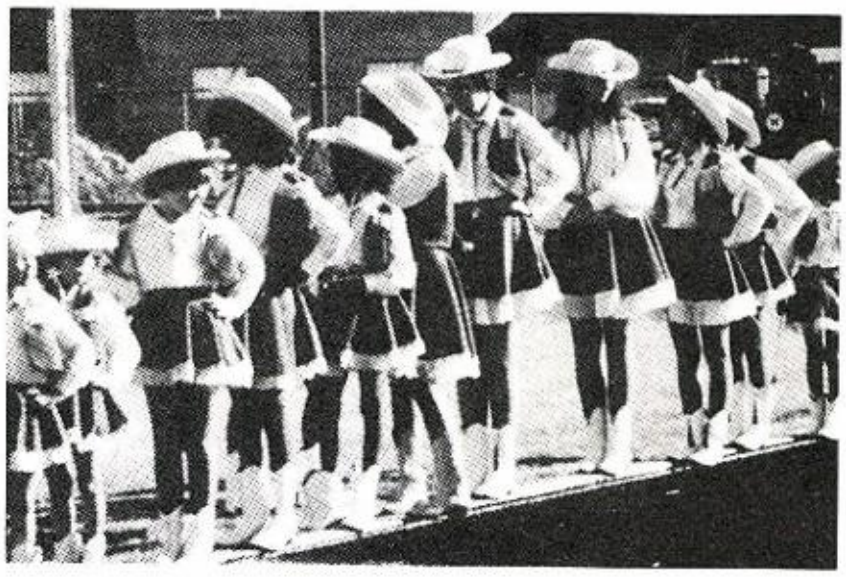
(From left to right) Tommy West, senior bass, is a first-year member. Mary Boren, senior soprano, is one of the original members in her fourth year. David Slater, senior tenor, is also an original member in his fourth year. Miss Beth Smith, director, is the original director and founder of the group. John Waddill, senior bass, is the last original member, also in his fourth year. Kelly Dyess, sophomore soprano, is in her first year with the group. Aaron Day, junior tenor, is a second-year member. Pam Slater, junior soprano, is a first-year member, and Robert Johnston, senior bass, is also a first-year member.

"Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness; come before his presence with singing." Psalms 100:1-2. Perhaps this describes the group His Singers the best. This group, through scripture and song, ministers to churches and civic organizations throughout Dallas and abroad. Combining old-time favorite tunes with new contemporary gospel songs has proved a pleasing combination to audiences and a praising attitude to God.

Cadets: (Front Row) Susanna Reynolds, Heather Young, Jennifer Monson, Shay Wyrick, Becky West, Lt. Rhonda Naynam, Co-Captain Staci Roden. Cadets: Tralanda Halton, Michelle Valencia, Gina Young, Cheryl Scruggs. (Not Pictured) Co-Capt. Monica Valencia.





The 1980-81 edition of High Flyers enchanted the crowds time after time. The small drill team lead by captains Monica Valencia and Staci Roden, presented timely routines for half-time audiences throughout the football season.

Ruth Wyrick and Martha Alverson had a very young group of girls to work with this year. They put long hours into bringing a short routine into an entertaining show. The High Flyers have existed for seven years at Christian Academy. Ruth Wyrick has worked hard from the beginning to bring it into a respectful organization representing the school. The student body, football team, and parents all appreciate the work that has been put in by everyone to present such an enjoyable group as the CA High Flyers.

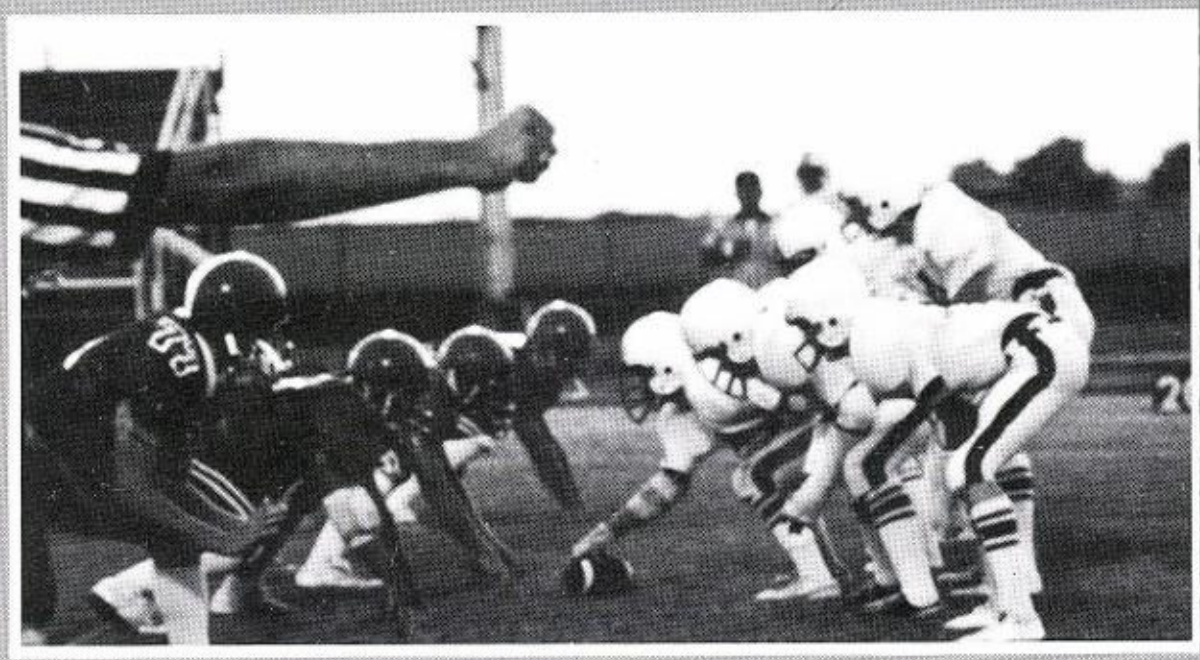
JETS SOAR



The Varsity Jets finished another great year of football in 1980. They soared through the conference undefeated, competition. With a dazzling passing offense and a strong running attack, the Jets surprised bigger teams in rough games throughout the season.

The beginning of the season marked a new trend in the Jets football program. The Jets were chosen in*Dave Campbell's Texas Football*magazine as one of the contenders for the state championship of 1980. The Jets set out to accomplish their goal, sometimes against very difficult odds. The Jets opened up the season playing the 1979 state quarter-finalist First Baptist Academy. The team then played last year's state runner up, Trinity Christian. Despite the losses, the Jets held firm to their goal. Struggling through a season of tough games, they were chosen by the Texas Association of Private Schools to play in the state playoffs against Ft. Worth Christian. This Jet football team will always be remembered for a record-setting year for C.A. The individuals will especially be remembered for contributing their talent to make the Jets a MIGHTY football team.

FOOTBALL 1980

The 1980 Jr. High Jets started out the season young and inexperienced. Coached by Mr. Tom West, the Jets showed determination and an eagerness to learn, despite continual play against bigger and more experienced teams. The "never say die" attitude was never more evident than in their last game of the season when they pulled out their final and only win of the season against Greenhill 14-12.

C.A. VOLLEYBALL SCORES BIG!

Under the direction of Jackie Soward and Assistant Coach Jill Lankford, the 198-81 Jets Volleyball team started out with a lot of skill and enthusiasm. The Jets came in second in the conference and learned the most important lesson . . . TEAMWORK.

The volleyball team agreed they had a good season because of the closeness. One member stated, "This team is close due to the teamwork."

"The volleyball team has a lot of ability; they lack only self-discipline." stated Coach Soward.

VARSITY FINISHES 21-8

The 1980-81 Varsity Jets finished their season on a sour note, but their accomplishments will far overshadow any negative memories of the year. In compiling C.A.'s best ever seasonal record at 21-8, the Jets played in seven tournaments, winning four, placing third in another, and fifth in the Texas Association of Private Schools Tournament in Abilene, before ending their season in the TAPS State Tournament. In that tournament, the Jets beat Allen Academy before losing to Trinity to end the year.

With a returning of four starters from last year's team, along with the addition of two new seniors, the Varsity had a mixture of experience and maturity with younger talent and it proved to be a winning combination. The Varsity started the year off with a flourish, winning nine games before suffering their first defeat. They slumped, however, after returning from Christmas, partly due to a rash of nagging injuries. But after hitting their lowest point in Abilene, the Varsity geared back up for the M.C.C.L. Tournament and proved again that they were the best team in that league.

Going into the tournament in third place, the Jets beat Beverly Hills. Next, the Jets played Tyler St. and avenged two earlier losses, winning by 16 pts. In the championship game against Evangel Temple, the Jets again avenged an earlier loss, winning by two points on a last second shot by Ken Moore.

Overall, this year will be remembered as the most productive and best seasons ever in the history of Varsity athletics at C.A.

This year a new basketball program was started for the Jr. High Girls, under the direction of Mrs. Jill Lankford. The girls were just starting and finished with a record of 0 and 3. They all did a great job and worked very hard. Cheryl Scruggs was the most improved and the "Mightest Mite" of all. This season proved to be very encouraging and will keep all the girls looking forward to bigger and better things next year.

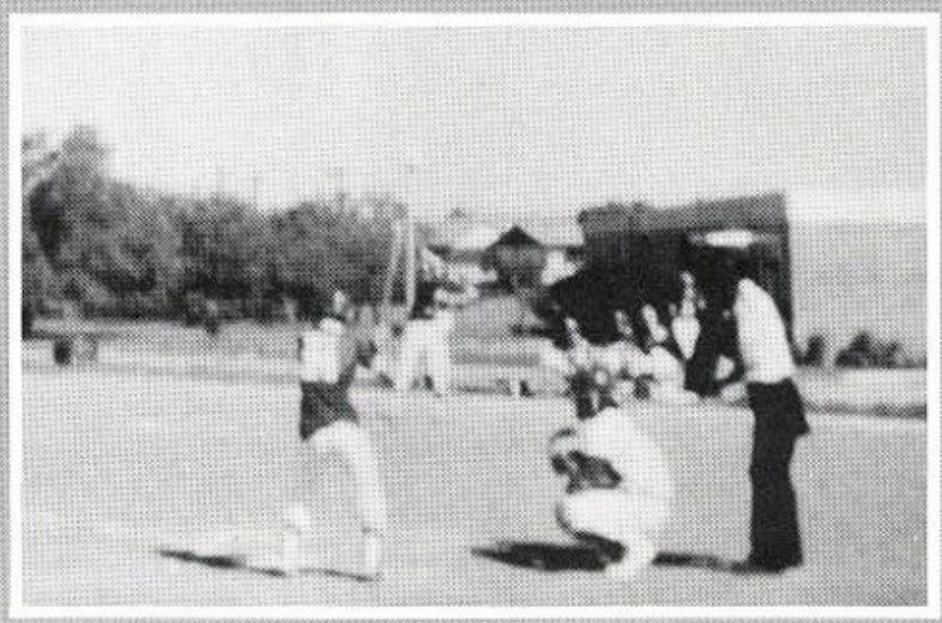
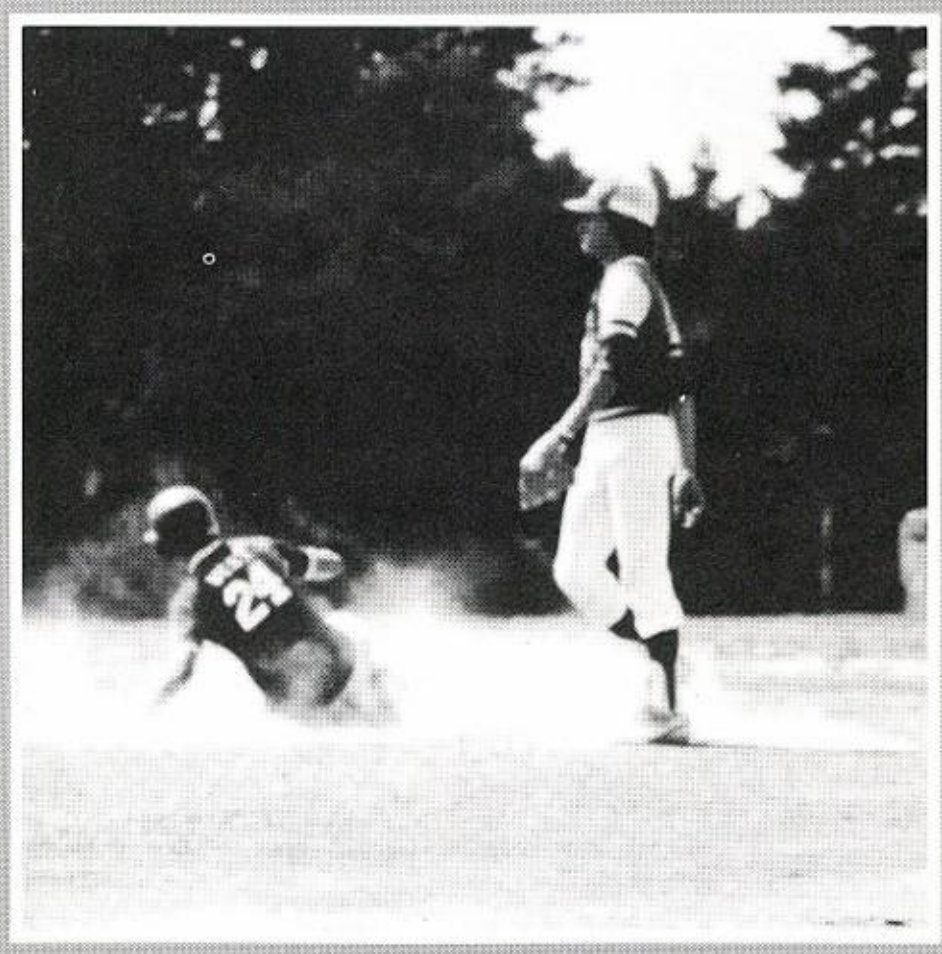
FOURTH YEAR IN A ROW!



For baseball the 1979-80 season was one of success. The race for first place was close at times, but the Jets showed poise in winning their fourth consecutive conference championship. The victory was a surprise to everyone but the Jets who came out of injuries to put a solid whipping on the Lakehill Warriors. The Jets were short of pitching staff, but as always, were aggressive while at bat! With "clutch" hitting and base-stealing, the Jets put on a show for the opposing team and the crowd.

Many of the Jets played hard but none surpassed the aggressiveness of Gregg Young. Gregg played everything from pitcher to third baseman and was awarded the "Most Outstanding" trophy. "Way to go Jets" on another year as "King of the hill" in the conference.



NEW COACH ADDS TO TEAM

The Jets girls' softball team kept up their winning tradition of the girls' athletic program in the 1980 season.

Special attention goes to their new coach Susan Patten, who began the season with the girls. Susan proved to be an essential "edge," carrying the girls to a 7-2 season.

The girls showed their talent and determination to come out 2nd in the conference.

The team was proud of their outcome and are looking forward to the 81 season.
